

AIG Aviation SelectSM

A New Insurance Solution for Aviation Operators

Today, nearly 10,000 business aircraft operate in the United States and more are being built every day. As air fleets continue to grow, so do the insurance protection needs of companies that service them. For the thousands of aviation operators serving the needs of this growing industry, when it came to meeting their own insurance needs, they couldn't find a single, comprehensive source to provide an insurance solution. Until now!

Introducing AIG Aviation SelectSM:

One-Stop Convenience for Comprehensive Coverage

AIG Aviation has taken the lead by introducing a single source to evaluate and meet the total insurance protection needs of aviation operators, which include airports, fixed base operators (FBOs), and general aviation clients. AIG Aviation is pleased to offer this full range of insurance coverages through Preferred Aviation Underwriters, experts in the field.

Experience and Financial Strength

With **AIG Aviation Select**, the convenience of a one-stop shop is backed by the experience and financial strength of the AIG Companies, as well as the specialized knowledge and expertise of Preferred Aviation. AIG Aviation is the leading U.S.-based underwriter of aviation insurance, with more than 60 years of aviation underwriting experience in the U.S. and worldwide. With offices across the U.S. and in London, AIG Aviation offers a full range of insurance solutions for commercial, corporate, and private air, as well as Fixed Base Operators.
